OSSEO AREA SCHOOLS

ISD  279

Rush Creek Elementary School

WELCOME KINDERGARTNER!

We are excited and look forward to having you here at Rush Creek!

Your teacher will be Ms. Cox in Room 107.

You and your parents are invited to come to **Open House at Rush Creek** on Wednesday, August 29, from 4:30-6:00 pm to meet your teacher and other staff members and to tour the school. You will also have the opportunity to deposit money into your lunch account in the cafeteria. If you will be receiving medication from the Health Specialist during the school year, you can drop off medication, permission slips, etc. in the health office. If you are enrolled in Kidstop, be sure to stop by the Kidstop room 103 to meet the staff and see the room. We also ask that you please bring all school supplies labeled with your name to place in specific locations in the classroom. If you ordered the School Supply Tool Kit, it will be available for you in your classroom to label that evening.

The first day of school, **Tuesday, September 4**, will be a regular day of school for our Kindergartners. We encourage you to make this day as normal a routine as possible by arriving on what will be your usual mode of transportation. This will provide a smooth transition for you as the school year begins. Your teacher, along with other staff members, will be waiting to meet students as they get off the buses. Enclosed is a bus tag for you to put on your backpack during the first two weeks of school. Please fill out the enclosed bus tag using your "take home" bus number and stop only. This tag contains critical information about you and which bus you ride. The teacher and the bus driver will use this information to determine which bus you ride and which stop you get off. If your parents have any questions, they can call the Rush Creek office at 763.494.4549.

Your parents are invited to join your teacher for a **Kindergarten Parent Information Night** on Thursday, September 6, from 5:30-6:30 pm in your classroom. This is a meeting for your parents only. Your teacher will use this time to talk to them about classroom procedures, expectations, and curriculum.

I look forward to having you in my classroom!

Sincerely,
Ms. Abbie Cox, Room 107
